Dear Student Musician,

We would like to extend to you a personal invitation to apply for membership in the **Jazz All-Stars of Central Kentucky (JACK)**. This group of 15-20 musicians will be selected through application and taped audition, and will be guests of the University on **March 31st, 2012**. During this special day, students will have the opportunity to meet members of the music faculty, attend master classes, hear faculty/student ensembles, and perform with other outstanding musicians from Kentucky and surrounding states. A tentative schedule for the weekend is provided, *and all participating students will be chaperoned by members of the UK Jazz Studies Staff*. As an extra-added attraction, we will be featuring guest artist **John Fedchock**. Mr. Fedchock is an outstanding trombonist, composer/arranger and big band leader. He is also well known for his work as musical director with the Woody Herman Orchestra. Please visit www.johnfedchock.com for more information.

We are providing this opportunity to students that have been identified as outstanding musicians. **The postmark deadline for the completed application form and audition tape/cd is February 15th, 2012.** Students selected for membership will be notified by late February, and music will be mailed to you at that time. Please feel free to call if you should have any questions. Jazz Studies Office: 859.257.8173 email: miles.osland@uky.edu

Sincerely,

Miles Osland
