KBC GRADUATES

Here's what our KBC Graduates say

"The instructors at KBC inspired me to become a more effective leader and a better musician, while making us all feel equally important at the same time. The whole experience was extremely rewarding, and I would certainly recommend it to anyone!"

Pete Olsen
George Rogers Clark High School

"The camp taught me not only the fundamentals of conducting but true leadership. It also provided me with devices to become an overall better person by recognizing certain weaknesses through different activities and allowed me to correct them in a positive environment."

Hana Swain
North Hardin High School
